"PREPARED BY AND FOR THE WALT DISNEY WORLD CAST"

MAY 16, 1980

EPCOT CENTER UPDATE

You may not be able to see the EPCOT Center construction site and watch for yourself just what is developing, but the number of construction vehicles traveling to and from the site should give an indication that things are moving on schedule.

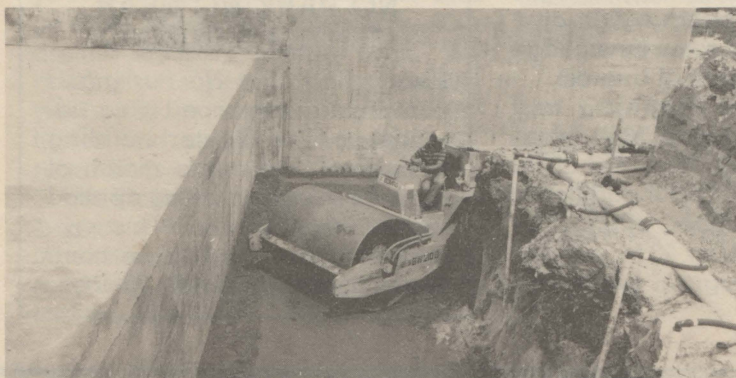

Things are moving well, indeed! And to better accommodate the number of vehicles arriving to the site, a new construction access road opened recently, which will alleviate traffic entering at the Administration Area security entrance and will be used for cast member vehicles after EPCOT Center opens in October 1982.

At the site, some underground utilities have already been installed and a portion of the cast member parking lot has been paved and is currently being used for the personal vehicles of our construction workers.

At our Facilities Shops, an additional 100,000 square feet is being added to the building to better accommodate long-term maintenance for our Vacation Kingdom as well as EPCOT Center.

At WED, work is progressing on the numerous exhibits for World Showcase and Future World. Four digital recorders were recently purchased from the 3M Company for use in all soundtracks for EPCOT Center. These new digital recorders eliminate signal deterioration and noise buildup common with other forms of tapes. They also have the capability to record complex soundtracks on one tape rather than on several systems and tapes as used in the past.

Numerous projects are quickly developing for EPCOT Center. **EYES & EARS** will keep you posted on these developments as they occur!

WORLD SHOWCASE FELLOWSHIP PROGRAM HOUSING SOUGHT

As construction for EPCOT Center progresses, so does many of our other EPCOT-related projects, including the World Showcase Fellowship Program.

As many of you are aware, we are currently looking for cast members who are willing to open their homes to our American Field Service students who will be participating in our World Showcase Fellowship pilot program this summer.

These eight students range in age from 17 to 19 and have already spent a year living with American families throughout the United States. If your family would like the opportunity to learn about other people and their cultures and are willing to have a foreign exchange student as a member of your family from **July 11 through August 31** of the coming summer, contact David Kanally at extension 5296 for additional information.

Festival Tropical

MAY 24 AND 25

Mickey Mouse salutes our Latin American visitors in a special two-day "Festival Tropical" in the Magic Kingdom, May 24 and 25. This special Latin American Festival will feature special parades and entertainment, all for regular admission prices.

International singers **Celia Cruz**, **Roberto Ledesma**, and the **National Ballet of the Dominican Republic** headline the entertainment scheduled for this event. Other groups performing in the Magic Kingdom include: **Bienvenido Granda**, **Rene Touzet**, **Las Gauchas de Argentina**, **D'Aldo Romano**, and our own Walt Disney World entertainer, **Carlos Ruffino**.

A new parade featuring Latin American performers as well as our Disney characters will be held Saturday at 2 p.m. and 9 p.m. and Sunday at noon and 4 p.m.

"WONDERS OF WALT DISNEY WORLD" PILOT ENDS THIS MONTH

Our new educational program for guest children, "Wonders of Walt Disney World," will complete its initial pilot at the end of May. Cast member children may continue to enroll in this program through the end of the month, on a space availability basis.

This program is comprised of four subjects including: energy, the environment, the arts, and entertainment; and is designed for children, 5th through 10th grade. The regular cost of each of these programs is \$25, but cast members can enroll their children in the course of their choice for just \$20 during the pilot program.

It is advisable to enroll your children as far in advance as possible to allow ample opportunity for them to complete the Pre-Trip Activities. To enroll, simply stop by **Cast Activities**, second floor of the Center Building, **Monday through Friday**, from 8:30 a.m. until 5 p.m. with full payment. You'll receive an Activity Book and instruction letter at that time.

LOOKING YOUR BEST

by Pam Carpenter

It is hard to believe we are into May already. The Easter holidays seem like only yesterday, and now it is time to prepare for the busy summer months ahead.

We have had such great weather lately that it is hard to stay indoors. This is the time of year we all start getting outdoors to get exercise which makes us feel better both mentally and physically.

Looking and feeling good affects our attitudes about ourselves and others. That is why we place so much emphasis on appearance here in the Vacation Kingdom. Our guests' letters and compliments prove that the extra effort we make in our appearance is well worthwhile.

I have been getting out into our many areas more often to discuss the "Disney Look." Your questions reflect your interest in our costumes and policies regarding grooming. You are the key to the "Disney Look." We need your support and appreciate your help in maintaining the costumes and appearance guidelines, regardless of your role in the show.

The Costume and Wardrobe Division, as with all our service divisions, is constantly looking at better ways to serve you. We want to help you keep looking good!

"It Takes People"

Many of our guests who vacation here at our Vacation Kingdom are amazed at how honest our cast members are. They often tell us they are surprised the items they've lost were returned, adding "it wouldn't have been where I'm from!" One cast member who has made several guests and at least one fellow cast member happy by retrieving and returning lost items is **Chuck Gisel** of Security.

Chuck said he could never live with himself if he did something dishonest. And he's proven he really believes that on at least three spectacular occasions. On the first occasion, Chuck found a cash bag with \$1,875 left at the Transportation and Ticket Center which he promptly returned. Months later, while driving through the guest parking lot, Chuck noticed a purse sitting on the hood of the car with no ID inside ... just \$7,264! The guest was so happy to have the money returned, she sent letters of appreciation to Chuck and his supervisors. On a third occasion recently, Chuck found \$176 dollars in the men's locker room and was able to find the cast member the money belonged to to return it!

This isn't just an act of "Southern hospitality." Chuck was born and raised in Buffalo, New York, where he owned a repair shop, junk yard, and restaurant ... all at the same time! When he decided to join the service, he left all the businesses to his partner.

Chuck really enjoyed the service ... he met his wife on a blind date while stationed in Atlanta and married her 21 days later. He stayed in Atlanta after his discharge doing a variety of jobs. While he was working with a painter, he placed the gold on the capitol dome and later started a garage which he operated till moving to Florida in 1962.

The Gisel family came to the Sunshine State because Chuck wanted to raise his four children in a quieter atmosphere and in a climate where they could be outdoors. He started another auto junk and scrap yard, which he operated until 1979, long after he joined our Walt Disney World cast as a Security Host. After four years on the third shift, Chuck is working the second shift, meeting more of our guests, which he thoroughly enjoys.

He's basically a family man and spends his free time boating, swimming, hunting, fishing, and shrimping with his family.

CAST ACTIVITIES

NEWS

PARTICIPANTS SOUGHT TO EXHIBIT IN "SPRING FESTIVAL"

Cast Activities annual "Spring Festival at the Lake" is set for the end of this month, and now is the time to reserve **exhibit space** for this huge cast party welcoming summertime activities at Little Lake Bryan.

This year's Festival will be a giant outdoor party at our cast Lake, set for **Saturday, May 31**, come rain or shine! All cast members and their families will be invited to enjoy a full day of exhibits, food and beverage, games for the kids, door prizes, swimming, sailing, and just plain loafing under the warm Florida sun!

We have set aside **two large exhibit areas** just for you ... a **crafts fair** and **flea market**. Now is the time to reserve yourself a space, as the tables will certainly go fast! Let's look at each exhibit:

- **Crafts Fair** will be similar to past art shows at the Lake, only this year we are encouraging cast members (and your talented family members) to exhibit for sale your photography, painting, sculpture, weaving, and related general crafts. Must you exhibit for sale? No; you are certainly welcome to show your fellow cast members just what you can do in the art/crafts field.

- **Flea Market** items are generally just about anything for sale that is not an original craft! So gather up all those old "salable" things that have been laying around the house or garage for years and cash in on them at our giant Flea Market!

Tables for both the Crafts Fair and Flea Market are just \$2.50 each, but they are **limited**, so reserve yours today!

We expect well over a thousand cast members and families to attend this year's "Spring Festival at the Lake," so this will certainly be one of the most **attended** Festivals in years. So, why not plan on having a super day at the Lake, enjoying all of the games, food, and sunshine ... while cashing-in at our Crafts Fair and Flea Market!

LAST CALL FOR DISNEY GOLFERS TO JOIN WEDNESDAY LEAGUE

Cast Activities **Afternoon Golf League** is set to tee-off on **Wednesday, May 21**, so this is your **last call** to join in all the fun!

You **do not** have to be a member of the Golf Association or any other club, we're looking for **all golfers** . . . beginning hackers to top shooters . . . who are employees (or immediate family) who want to have a guaranteed game every Wednesday afternoon for 10 weeks, and are not afraid to be handicapped where everyone has an equal chance to win the league!

Here's how the league operates: You participate as a **team**, two people per team. You can join as a team or we will help match you up. The entry fee is \$5 per person, payable in Cast Activities when signing up.

The league will play on **Wednesday afternoons**. You begin play anytime after 5 p.m., and will rotate between all three Disney courses. A prearranged schedule will identify the course each week.

Your team will be joined by a different team each week to make a foursome for your afternoon of golf.

Each week you will play **9 holes** of golf, with points awarded to each team on a weekly basis. At the end of the **10-week season** (July 23rd), the points will be totaled to determine the winning teams. Trophies will be presented at an awards party to follow.

Each golfer must have a **handicap**. This will be established by Golf Operations following three rounds of play. The handicap will insure each player and team has an equal shot at the gold!

Playing between May 21 and July 23, the cost of this 10-week league is \$4.16 per week, payable to Golf Operations. This fee includes golf cart, greens fee, and unlimited play following completion of your nine holes.

Signups are now open in Cast Activities with your \$5 deposit. Sign your team up today and get ready for 10 weeks of play!

PHYSICAL FITNESS DAY NEARS

Signups are still open for the 3rd Annual Physical Fitness Day at Little Lake Bryan. The events will be held on **Saturday, May 24**, from 9 a.m. until 12 noon.

Cast members who are interested in competing against other Walt Disney World "hulks" and "kongs" should drop by Cast Activities today to enter any number of the 10 events scheduled. Those competing for the "overall" championship are required to compete in at least 8 of 10 events.

Bring your families along . . . there will also be a "fun run" especially designed for cast members children!

Volunteer Judges Sought

Anyone interested in assisting our Cast Activities staff at the upcoming Physical Fitness Day should contact Duncan Marks at extension 4254.

Volunteer judges are needed to officiate at all 10 events.
